

OREGON NATIONAL GUARD ASSOCIATION
2012 Corporate Partner Program
Fact Sheet

The Oregon National Guard Association (ORNGA) invites your organization to become a partner in supporting Oregon's National Guard. We owe our support to the guardsmen and women, who unwaveringly respond to the call of duty, whether it is home or abroad. Experience the partnership of industry and the collective voice of Oregon's National Guard leaders working to secure better benefits and protecting our soldiers' rights.

Mission Statement

The Oregon National Guard Association is a professional organization that supports the constitutional roles and missions of the National Guard by influencing legislative, congressional and executive action.

Marketing

As a marketing opportunity, the ORNGA can provide intimate venues to showcase your firm's products and services. We have several events that focus your marketing dollars on the right audience, the buyers and the decision makers. Some of the annual events to be a part of are the Oregon National Guard Association State Conference in the spring, Corporate Partner Appreciation Night in November, the National Conference in the Fall, golf tournament and more. By responding immediately, you can take advantage of promoting your firm for the next year, building momentum for the State and National Conferences.

State Conference

The State Conference is a gathering of over 250 leaders of the National Guard in Oregon. This two-day event begins with a by-invitation only President's Reception. All corporate partners will be invited to this reception as well as invited to participate in the general conference. During the conference there is a vendor expo to showcase our corporate partners and all they have to offer to all the conference attendees. This is the ORNGA's premier event and an excellent venue to share information about your company's products and services.
